Date _____

Dear Parents:

Walking trips and excursions to various neighborhood places of interest that help to enrich your child's school experience are occasionally planned by students and teachers. Every child is usually anxious to participate in the instructive and pleasurable optional experience with his/her class.

However, before a child can be permitted to accompany his classmate on any field trip, it is necessary that we obtain a parental consent. If you want your child to participate in this optional type of activity, please sign the "permission granted" memo below. Your child will be included in whatever plans are made by his class and teacher for such trips. These optional trips are planned and carried through under the guidance and supervision of the classroom teacher.

We want you to know that these trips are **optional**.

Sincerely,

Mr. Armando Rodriguez
Principal
